MEDIVERA®

MEDIVERA®

Sturdy and robust, that's the best way to describe the appearance of this Aloe MEDIVERA® plant. It has the same healing and nurturing properties as its close relative Aloe Vera.

As a desert plant, Aloe MEDIVERA® needs little water to thrive.

Plant care

Aloe Vera is a succulent that is mainly found in Mediterranean countries, where they grow in desert-like conditions. The plant has adapted to this and therefore requires little water and nutrition and is resistant to the sun.
